ARTICLE XI
ILLINOIS FEDERATION OF TEACHERS
POLITICAL ACTION COMMITTEE (IFT PAC)

Section 1. The IFT PAC shall be composed of nineteen (19) members, eighteen (18) of whom shall represent a region approved by the IFT Executive Board. One (1) member shall represent statewide locals. The IFT Executive Board shall designate one (1) member to serve as Chair.

Section 2. The members, hereinafter referred to as Regional PAC Chairs, shall be appointed by the Executive Board and serve terms coterminous with the Executive Board.

Section 3. The two major activities of IFT PAC are:

(a) Endorsement Process

Step 1. Notice of the eighteen (18) Regional IFT PAC endorsement meetings will be mailed by the IFT Springfield legislative office at the request of the Regional PAC Chair to all Presidents of locals who reside in the region.

Step 2. The regional endorsement meeting will be conducted by each Regional PAC Chair with the assistance of an assigned IFT staff member to:

(1) inform the regional members by a legislative/political report including a review of the voting records and/or questionnaire responses of candidates prepared by the IFT Department of Political Activities.

(2) receive local endorsements for all regionally elected state and federal offices that are open for election including U.S. House of Representatives, Illinois appellate court justices, Illinois supreme court justices, state representatives and state senators.

(3) attempt to resolve any conflicting recommendations by consensus of the locals in attendance at the regional endorsement meeting.

(4) make recommendations for those offices in which the locals do not make any endorsement recommendations.

(5) cause a report to be drafted with the assistance of the IFT Department of Political Activities listing agreed recommendations, contested recommendations with a statement of the rationales for the conflicting recommendations and offices where no recommendation for endorsement was made with a statement of the rationale for no endorsement. Each Regional PAC will present such a report to the statewide IFT PAC.

Individual locals may also submit documentation for their respective positions to the IFT statewide PAC.

In determining endorsements for elections within their region, the Regional PAC shall review the voting records, questionnaire responses and records of interviews with candidates. An incumbent with a seventy-five (75) percent or better voting record on IFT issues shall normally receive a Regional PAC recommendation for IFT endorsement.
In elections where there is no incumbent with a seventy-five (75) percent or better voting record on IFT positions, the Regional PAC should attempt to seek consensus on a recommendation. For a candidate to receive a recommendation for IFT support, the candidate's questionnaire and interview must demonstrate support for IFT positions.

If there is a division on a recommendation, the Regional PAC Chair shall invite local representatives to submit a statement of rationale for support or non-support of an IFT endorsement of any candidate not receiving consensus support in the Regional PAC. Under special circumstances, the Regional PAC may reach consensus and recommend an IFT endorsement for a candidate that is an exception to the above stated standard. In such an exception, the Regional PAC Chair or his/her designee shall submit a rationale for the recommendation to the IFT Executive Board.

For the purposes of this section, consensus means the concurrence of those in attendance at a regional meeting regarding a particular candidate or race. If there are one or more objectors on any question before the Regional PAC, the objectors shall reduce to writing the reasons for the objection, and that document shall be forwarded to the IFT PAC as part of the Regional PAC's report. Failure to do so prior to the IFT PAC endorsement meeting shall void the objection.

**Step 3.** The IFT PAC Chair, with the assistance of the IFT Director of Political Activities, shall convene and conduct an IFT PAC endorsement meeting. Notice of this meeting shall be given at least thirty (30) days prior to the meeting date. The chair shall review the endorsement reports from the eighteen (18) Regional IFT PAC endorsement meetings. The committee shall:

1. (1) accept the endorsement recommendations of the Regional PACs for the state and federal offices open to election.
2. (2) make recommendations to the IFT Executive Board in cases where conflicts exist or where no recommendations were made.
3. (3) make endorsement recommendations to the Executive Board on statewide elections or statewide referenda issues.
4. (4) cause a final report stating the consensus endorsements and the conflicting endorsements with a statement of rationales for each candidate supported by an individual local or regional PAC to be prepared for the Executive Board.

**Step 4.** The IFT Executive Board shall review the IFT PAC recommendations. Regional PAC decisions within the guidelines shall be honored by the Executive Board. If a Regional PAC makes a recommendation outside the guidelines, the Executive Board shall review and consider the statement of rationale. In accordance with the IFT Constitution and By-Laws, the Executive Board retains the final authority between IFT Conventions to make policy decisions regarding political endorsements.

(b) Legislative Activity

Committee members shall endeavor to establish favorable relationships with legislators and other political office holders within their districts and develop contacts with each Local President and/or COPE Chair within their district for lobbying purposes. The IFT will encourage all locals to establish an active COPE Committee with a COPE Chair who will work with the IFT PAC member in their district. The committee member shall encourage representation from each legislative district within their region at all IFT Lobby Day events.

**Section 4.** Meetings:

(a) The IFT PAC shall meet as necessary, but at least:

1. (1) prior to primary elections for endorsements; and
2. (2) prior to general elections for endorsements.
(b) The regional PACs shall meet as necessary, but at least:

(1) prior to primary elections for endorsements; and

(2) prior to general elections for endorsements.

(c) Additional meetings may be called by the IFT Director of Political Activities for training purposes, prior to legislative sessions or for other reasons authorized by the President.

(d) A Regional PAC Chair may cancel either of the meetings required by (b) (1) or (b) (2) if the chair considers the endorsement recommendations to be non-controversial and the President(s) of the local union(s) representing the majority of the IFT members in the region concur. In order to cancel a meeting, the Regional PAC Chair must notify all Presidents of locals who have members who reside in the region. The notice must include:

(1) endorsement recommendations that are to be made even though no meeting will be held.

(2) a form to return to the IFT indicating concurrence with the meeting cancellation and endorsement recommendations.

(3) instructions for objecting in writing to the proposed cancellation and/or endorsement recommendations.

Section 5. The IFT will assist all IFT locals and the PAC by preparing endorsement guidelines, voting records of incumbent legislators and candidate questionnaires. The IFT will also assist with regional meeting arrangements and provide IFT office space for such meetings where possible.
